Invitation to Winter online ISIJ 2022-23

For ISIJ team Leaders

07.09 2022 -01.04 2023, Russia

For IOI team Leaders

Dear team leaders from the IOI countries!

IOC ISIJ invites your junior teams to take part in **Winter online ISIJ 22-23** (International School in Informatics “Junior”, www.ISI-junior.com) on 1.10, 2022 -

1.04, 2023. About

The main objective of the Winter online ISIJ is to prepare juniors to participation in the **Summer International Cup in Informatics (ICI) of ISIJ (1-10 July 2023)** (to IOI tasks specific, training rounds for different type of contests, rules and Contest System). According to the ISIJ Regulations, the age of participants must be 11/13 y.o. (Group E – elementary Start up), 14-15 y.o. (B group Base) and 15/16 and not older than 17 years old (A group Advanced) (the group by the choice of a junior). The Team includes 6 students and one coach. A coach participates in the ISIJ tours as a member of the International Coach Council (Group C). The Winter session ISIJ includes online Classes with long contests in summer ISIJ 2022 (qualification training tours, Estafette tours, Marathon tour) and new two qualification contests with solution analyses materials in March. The agenda of the Winter session ISIJ 22-23 is <https://isi-junior.com/klass/schedule.php>

Registration

All participants of The Summer Online ISIJ 2022 (from group B and A) are included to the Winter online ISIJ 22-23 without payment and additional registration. The country can registrate additional new 3 teams with fee (but for students not older 16 y.o. in 2022).

Registration for teams starts on September and finishes on December, 1, 2022. Coaches should send the ISIJ Registration form1 (and form2 for the Countries – organizers of ISIJ – Russia, China and the country – host of ISIJ) by the e-mail of the Director ISIJ, Marina Tsvetkova: ms-tsv@mail.ru
